## 1. Header

Objective:

- Use the **OOTB Header Component** to create a header for the website.
- Add **News**, **About Me**, **Contact Me**, and **Homepage** links to the header.
- Make sure that the **News** link has a **drop-down** with five pages listed under it.
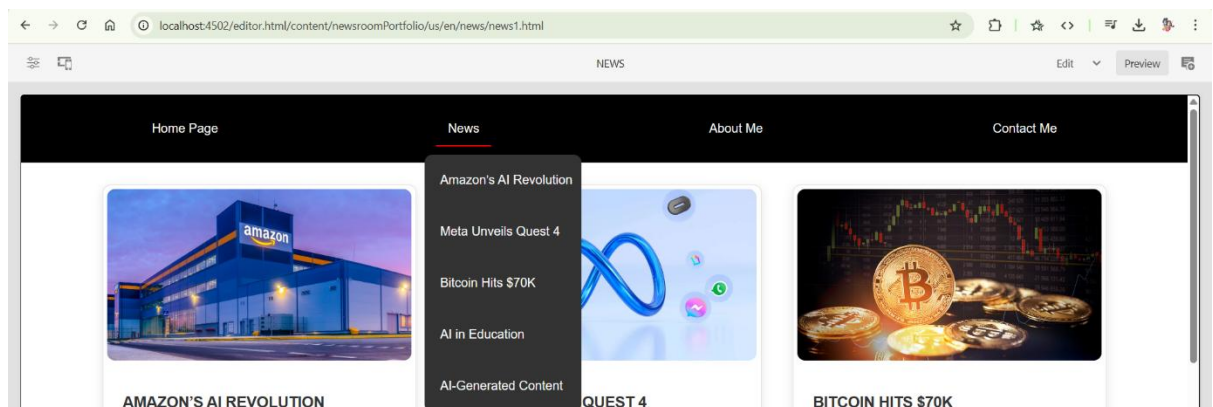

Steps:

1. Create an **Experience Fragment** for the header.
2. Use the **Navigation Component** to include **News**, **About Me**, **Contact Me**, and **Homepage** in the header.
3. Set up the **drop-down menu** for the **News** link to display five pages.

2. Footer

Objective:

- Create a footer with sections for:
  - **About Me**
  - **Contact Me**
 - **Latest 5 News** (with hyperlinks that open in a new tab)
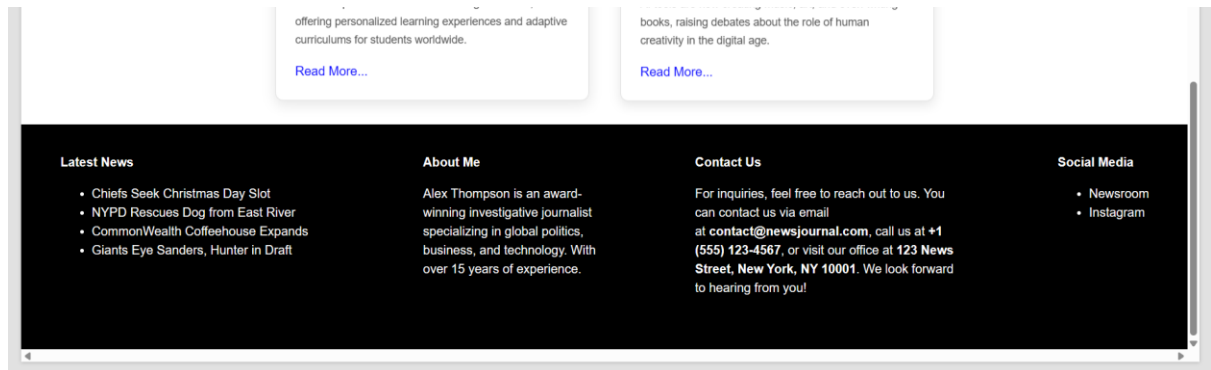

o   Social Media Section

Steps:

1. Create an **Experience Fragment** for the footer.

2. Add sections for **About Me, Contact Me, Latest 5 News,** and **Social Media** using the **Text Component** and **Links.**

3. Ensure that the **latest news** links open in a new tab.

3. Home Page

### Objective:

- Use the **Teaser Component** to display an award ceremony for journalists with an image, title, description, and a **Call to Action (CTA)** button.

Steps:

1. Create a **Home Page** using the **OOTB Template.**

2. Add a **Teaser Component** for the award ceremony details.

3. Configure the **CTA** to link to the page with detailed information about the award.

4. News Page

Objective:

- Create a **NewsRoom Component** that fetches all news articles from the **/content/news** folder and displays them as cards.

- Each card should have a **Title, News Details**, and **Image**.

Steps:

1. Create a **News Page** and use the **NewsRoom Component** to fetch news articles.

2. Under **/content/news**, create multiple news article pages with **Title, Image**, and **Text** components.

3. Ensure the **NewsRoom Component** dynamically fetches the news articles and displays them as cards.

## 5. About Me Page

Objective:

- Use the **Journalist Component** to provide information about the journalist.

Steps:

1. **Navigate to AEM's Sites Console** and create a new **Content Page** for the About Me section.

2. **Drag the Journalist Component** from the Component Browser to the desired location on the page.

3. **Edit the Journalist Component** and enter the journalist's name in the appropriate field.

4. Add a **short bio** outlining the journalist's experience and key details.

5. **Upload a professional image** of the journalist and adjust it to fit the layout.

6. **Include social media links** such as LinkedIn or Twitter by pasting the URLs in the corresponding fields.

7. **Preview the page** to ensure all content is displaying correctly and adjust any settings as necessary.

8. **Publish the page** once you're satisfied with the layout and content for public access.

Screenshot:
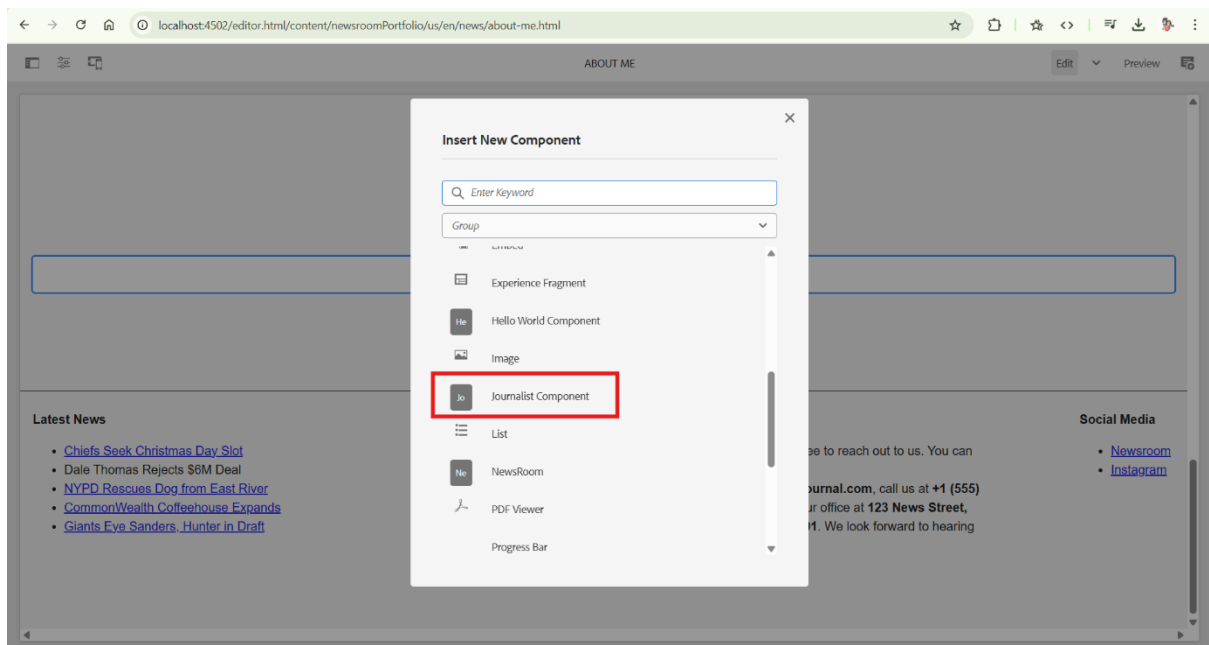

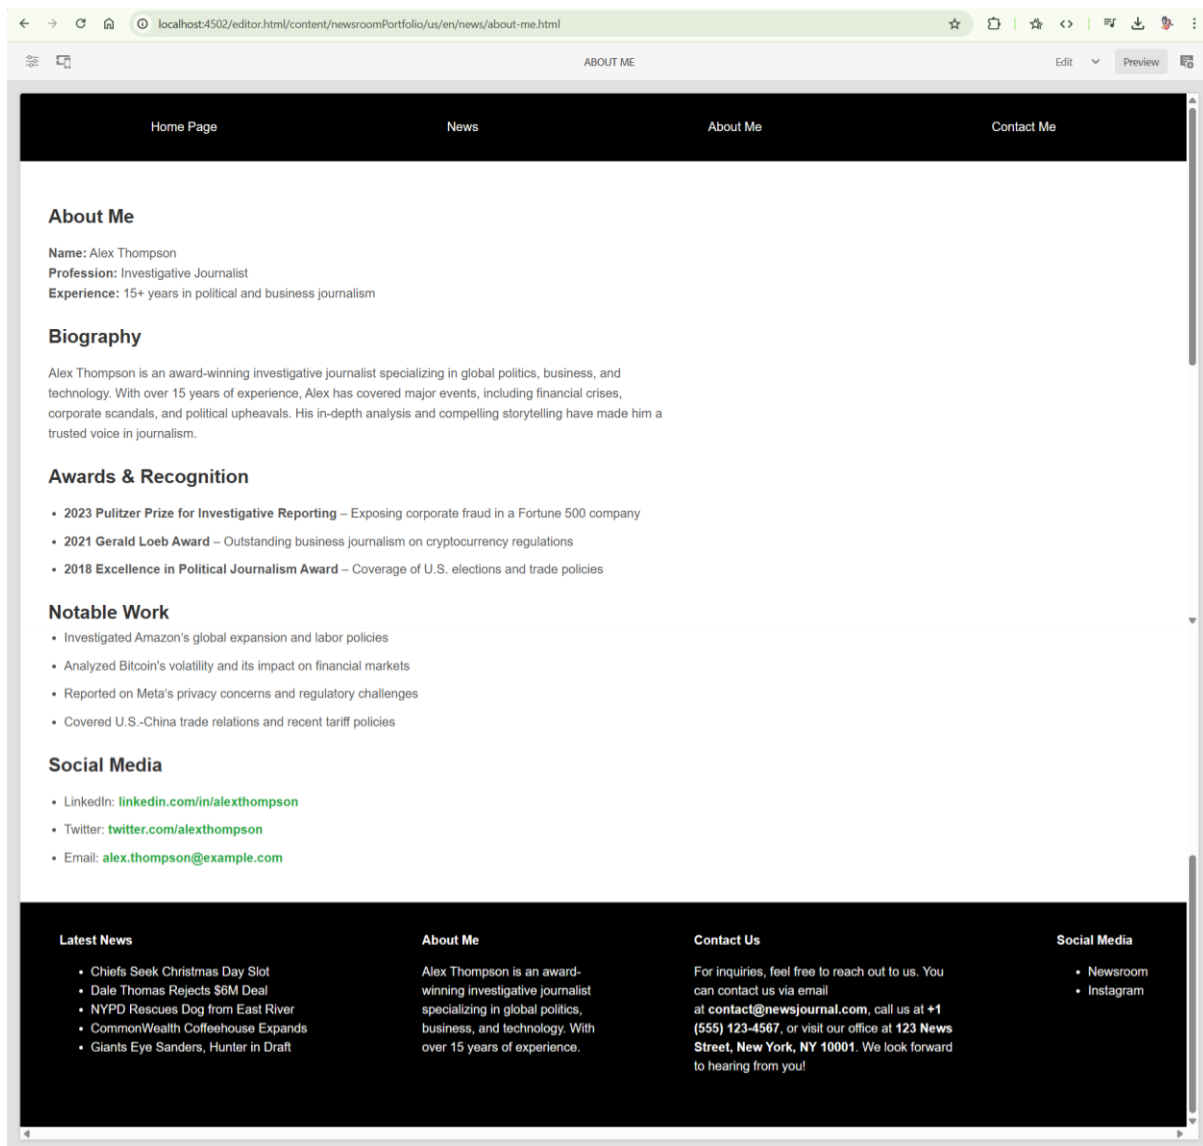

6. Contact Me Page

Objective:

- Use either the **Text Component** or **Teaser Component** to provide the journalist's contact details and social media profile links.

Steps:

1. Create a **Contact Me Page** using either the **Text Component** or **Teaser Component**.

2. Include the journalist's **contact details** and **social media links** for easy connection.
